Monster Academy
First day of the new term
The demon army's anti-hero monster training facility:
Shushu!
Shushu!
Shushu!
Shushu!
Shushu!
Shushu!
Let's walk to school together!
SHUT UP!!
WHY'RE YOU ACTING SO CLOSE WITH ME WHEN ALL I DID WAS PLAY A SINGLE GAME OF CATCH WITH YOU!?
Kidding! Just kidding!
Oh, uh, I mean...
I'm... sorry...
I was just... really happy...

I've always wanted to go to school with a friend!
Okay, let's go to school!
I was worried!!
Oh, you were kidding!

Okay But you get it, right?
?

So you stand out
So just try to stay quiet, okay?
You're the son of the Monster King, leader of the demon army, who founded this academy

I get it.
If anyone finds out I'm a girl, I'll be kicked out of school.
So I want to make sure not to do anything to stand out

I'm really worried
Leave it to me!!

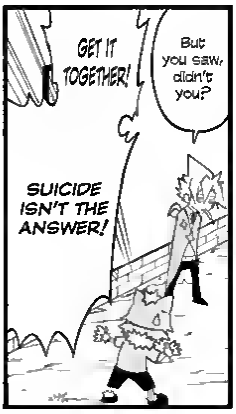
You're gonna be in Class 5, right?
?
Yeah, I'm in Class 5 every year.
I hope we're in the same class.
No way.
That's just not happening.
Every grade has a Class 5,
which is where they stick all the problem kids
My score on the entrance exam
was 98.
Out of 100
I'm an honor student.
So there's no way I'll be in the same class as you.
Ahem, good morning, everyone.
I'm Vice-Principal Gargoyle.
ENTRANCE CEREMONY
Today, we begin a new year.
1-1
1-2
A year of new opportunities...

CHAPTER 3 CLASS 1-5

I'll be teaching Class 1-5.
My name's Keyes Flyger
You get what that means,
naive little kids?
This is Monster Academy
This isn't whatever kindergarten you kids crawled out of.
Keep clinging to your naive impressions of what school's like,
and you'll die.

W-
Will that be good enough!?
I'm finally a true teacher
After three years as an assistant teacher,
No, I should stay here (behind the school) and practice a bit more!
Should I go to the class-room!?
The entrance ceremony should be almost over, right!?
Waaah! I'm so excited!
You'll do a great job, Keykey!
You'll be fine!
Yeah!
You think so, Mr. Beary?
I'M A TEACHER! STUDENTS WILL LOOK UP TO ME!
AND
THE GIRLS WILL ALL LOVE ME!

Yeah! I'll do my best, Mr. Beary!
Aha-haha-ha!
You'll get allllll the girls!
(Falsetto)
Ha-
and um,
I kinda got lost,
I heard someone back here
Er
Um
Uh



GET IT TOGETHER!
But you saw, didn't you?
SUICIDE ISN'T THE ANSWER!

WAIT!!
FUJK
GRIN
DYNAMITE
DON'T DIE!!

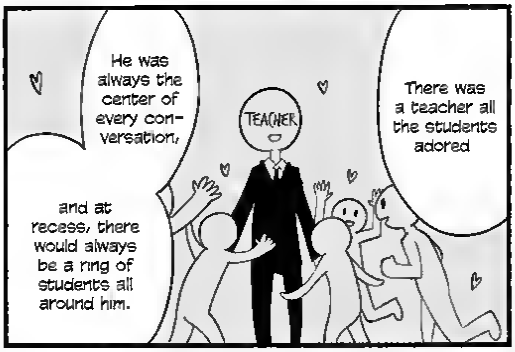
WAIT, WHERE DID YOU COME FROM!?
Oh, there you are, Shushu.
THE PRINCE!?

So you're in 1-5?
Uh,
Yes!

You're in the same class as the prince?

I left because I didn't want to go with you.
You went off somewhere when the entrance ceremony ended
We're in the same class, so we should go there together.

ARE ALL ADULTS LIKE THIS!?
You will not speak a word of this to anyone.
Your grades are mine to control.
So you're one of my students!
Oh!
Guess I got a bit ahead of myself, then!
So you're a boy.
!
You're a wolfman?
Uh... famous?
Ah, right.
You must be the famous "friend of the prince."
CLASS LIST
PERVERT!!
And I was so excited when I touched your shoulder...
My bad
I was sure you were a girl when I touched you



He was always the center of every conversation,
TEACHER
There was a teacher all the students adored
and at recess, there would always be a ring of students all around him.

It was when I was still a student ..
Hum?
We're doing a flash-back?

I wanted the girls to love me just like they loved him

When I saw his brilliance,
I realized that I wanted to be a teacher just like him

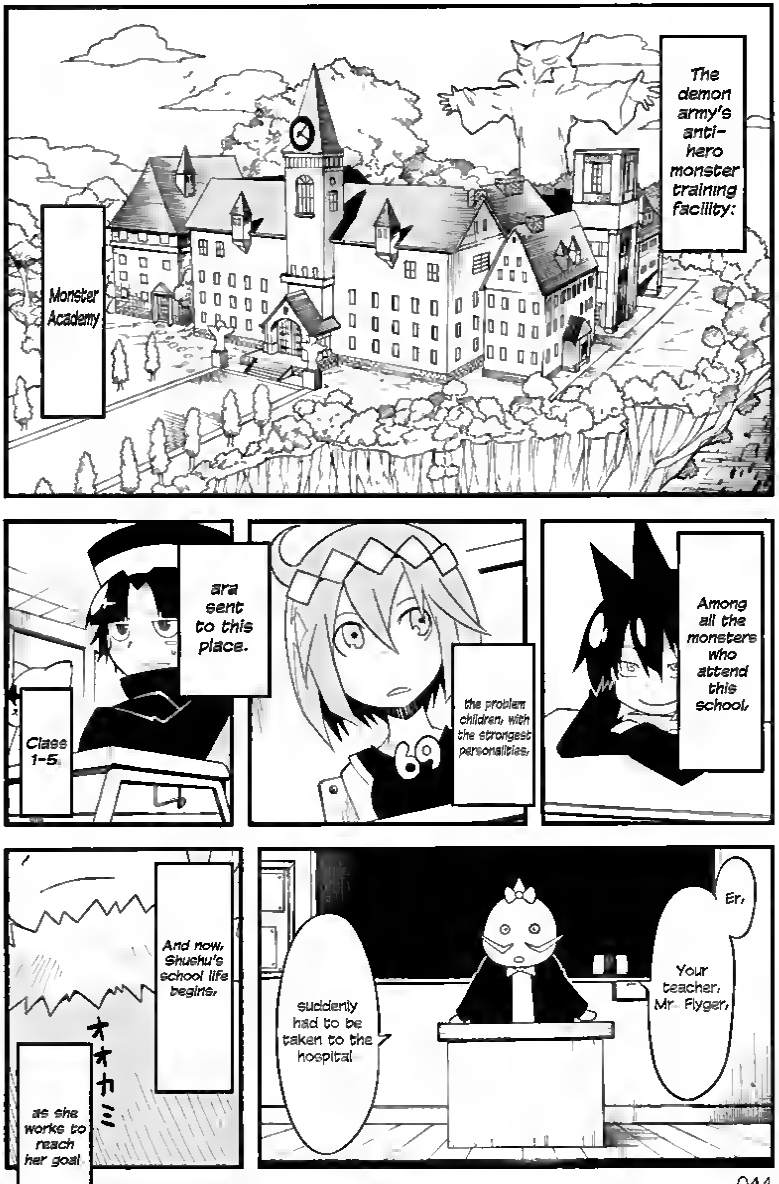
Ow!
S-
Hey, Shushu!
Stop it!
Let's go to class!
I know you're just trying to be friendly, but it really hurts!

Damn it!
Even the teacher of Class 5 is scum!
THAT IS WHY I BECAME A TEACHER!
REMEMBER THAT!

I'm gonna die if I keep hanging around him...
Ready...
Go!
Alright then... I'll race you
?
Whoever gets to class first wins.
Okay!
Does he not usually?
I'm surprised he even came to school.
so he didn't come to school
Just by being here,
he makes everyone else uneasy,
The last teacher of Class 5 saw that things were better when he wasn't there, so he gave up on him
He's the son of the Monster King,
so all the students and teachers are afraid of him.

But I'm glad you got him to come!
Thanks!
You're not afraid of Juz?
OF COURSE I AM!
HE'S THE SON OF THE FREAKING MONSTER KING!
HE COULD WIPE THE FLOOR WITH ANYONE HERE!
HE SCARES THE CRAP OUT OF ME!!
But...
Some day, I'll get the prince to open up to me too!
I'm his teacher.
It's my job to make sure the entire class can be together.
Tea-cher
His name isn't "Prince."

It's Juz.
You're right
To our Class 5.
Well, we should get going
SSSSS
DYNAMITE



The demon army's anti-hero monster training facility:
Monster Academy
Among all the monsters who attend this school,
the problem children, with the strongest personalities,
Ara sent to this place.
Class 1-5.
And now, Shushu's school life begins.
オオカミ
as she works to reach her goal
Er,
Your teacher, Mr. Flyger,
suddenly had to be taken to the hospital

To become a splendid wolfman.
I feel like I failed before I even started.
